Buch-Information

Autoren: Antonio Patti / Guy Perrier D'Arc
Titel: Clinical Success in Early Orthodontic Treatment
Reihe: Clinical Success

Kurztext:

Establishing the most favorable moment to initiate orthodontic treatment requires an understanding of craniofacial anatomy and development as well as some training in child psychology.

This manual explores these concepts in detail to address when treatment should begin, which techniques should be used, how to form a precise diagnosis, and how to choose the therapy best suited to a patient.

Fachgebiet(e): Kieferorthopädie
